# Blue Hole

Santa Rosa NM  
October 26-28, 2012  
Trip Price \$50

**The Blue Hole** is located about 600 miles southwest of Kearney, a 10 to 11-hour drive. It's a natural artesian spring with clear water, vertical or undercut rock walls. The small town is full of friendly people and the restaurants have fantastic food. All in all, a fine place to visit.

Some fast facts:

- **Diameter**—80' at surface, 130' at bottom
- **Depth**—over 80'
- **Temperature**—constant 64 degrees
- **Visibility**—80' when undisturbed
- **Flow**—3,000 gallons per minute; water recycles every six hours
- **Altitude**—4600' above sea level, making the bottom equivalent to over 100' in the ocean

Join us for a fun, inexpensive trip. It's a perfect place to do deep diver training, or just dive for fun and experience.
