Isle Royale is located about 850 miles northwest of Kearney, about a 14-hour drive. Isle Royale provides some of the best shipwreck diving in the world—and it's only a day's drive from Kearney.

We typically dive six different shipwrecks while we're there:

- *America*—sunk in 1928
- *Chester A. Congdon*—sunk in 1918
- *Emporer*—sunk in 1947
- *George M. Cox*—sunk in 1933
- *Henry Chisholm*—sunk in 1898
- *Monarch*—sunk in 1906

These wrecks are incredibly well-preserved in the cold fresh water of Lake Superior. You won't see anything like this in the ocean. Our live-aboard dive boat is fast, comfortable and safe. Join us for great wreck diving in one of the most beautiful places in the world—Isle Royale.
