Lake Oahe

August 24-26, 2012 (Pierre SD)

Trip Price \$199 w/Tax

(Cash or Check)

Lake Oahe is located at Pierre, SD, about a 5-1/2 hour drive from Kearney. Oahe is a reservoir on the Missouri River that is 250 miles long with more shoreline than the west coast of the United States.

We have chartered the *Deep Water Horizon* (34 ft X 12 ft fiberglass boat) for an August trip. We'll do an afternoon and night dive in the tailrace on Friday. Then, we'll spend Saturday and Sunday spearfishing in the lake. If you're new to spearfishing, we can offer an Underwater Hunter Specialty Course, or we will just coach you as much as needed. The Oahe tailrace

Deep Water Horizon before being moved from Florida to South Dakota and re-named.

Bigmouth Buffalo

consistently has 10-25 ft visibility and is one incredible dive. You won't want to miss it.

Lake Oahe probably has the best Walleye hunting available anywhere in the world. Although we will be targeting Walleye, you can also hunt for the Bigmouth Buffalo that can grow up to 50 pounds and more. And they are the best fighters you'll ever encounter.

Join us for a fantastic trip with more variety and excitement than you can stand. A \$50 deposit will save your spot.
