## Magic Island Resort

March 3-12, 2011

Trip Price \$1995 (Cash or Check)

**The Philippine Islands** are comprised of more than 7,000 islands strewn across a great stretch of tropical sea. Green islands, clear blue water and a very hospitable people characterize this beautiful place. We're traveling to Moalboal, on the island of Cebu.

Magic Island Dive Resort consists of 10 cottages for two people, each facing either the sea or the swimming pool. They are all air conditioned with hot showers.

Our package includes five days of three boat dives and unlimited shore diving. Step in the water right in front of the dive shop and you have a 180-ft-deep wall. All this is included at a fantastic price. From our past visits to the Philippines, this is some of the best diving the world has to offer. Check out the diving information on their website. And note that they have frequent Whale Shark sightings here, all year round.

In addition to the diving, you can visit the Kawasan Falls, go mountain biking, hiking, river climbing, or rappelling. Rent a dirt bike and explore on your own or take a guided tour.

Deposit = \$300  
Balance due = December 27, 2010
