Change Your Life

Learning to scuba dive can change your life.

- Scuba diving is adventure and an opportunity to see things most people cannot.
- Scuba diving is fun and something best done with family and friends (and a great way to meet new friends.)
- Scuba diving is about travel to exotic places and cultures.

Change your life— it's fun and easy to do. Two prerequisites:

1. Good Health
2. Know how to swim & tread water

Then, complete the following three parts of the scuba course:

Part 1—Home Study (Online Course or USB)

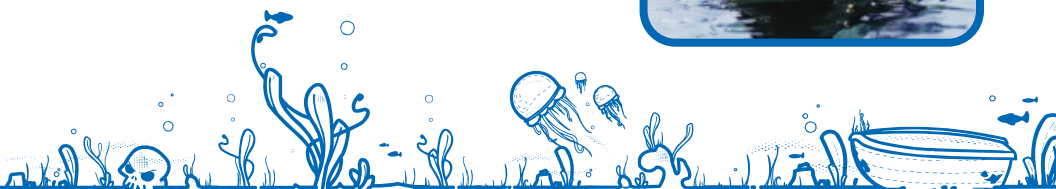

Part 2—Four pool dives over two days

Part 3—Four lake (or ocean) dives over two days

By completing this course, you'll earn your **Open Water Diver Certification**. This certification never expires and it's recognized world-wide. It's a great investment toward a lifetime of fun and adventure!

Check out our website:

www.ScubaHeartland.com

Two Course Options

COMPLETE COURSE - \$599

1. Deluxe Student Open Water Kit..... \$150.00
 2. Pool Diving Equipment Rental.....\$75.00

(Complete the home study and the pool diving here. We will send the appropriate paperwork with you on your vacation; then, an Instructor at your destination will conduct your four Open Water Dives to complete your certification.)

1. Student Kit \$150.00
 2. Pool Diving Equipment Rental.....\$75.00
 3. Two Days Pool Rental\$80.00
 4. Total of 16 Hours of Instruction \$124.00
 5. Referral Documents.....\$30.00
 6. Open Water Diver Certification Card\$40.00
- Total w/Tax\$499.00**

When you sign up for an Open Water Course, you will receive a **\$100 gear credit toward the purchase of a **full set** of personal dive equipment.**

See next page for details.

For Part 1, You'll Need:

- Student Kit (included in your course tuition):
- Open Water Diver online sign up code or USB (Obtain these from Heartland Scuba)

For Part 2, You'll Need:

- Your personal diving equipment (*not included in your course tuition*). You'll have the opportunity to "try before you buy" on the first day of your pool diving weekend.
- You get a \$100 credit toward purchase of a **full set** of personal dive equipment when you sign up for a Open Water Class. *
- Your personal equipment includes:
 - Mask—*comfort & fit—most important*
 - Snorkel—*standard or dry*
 - Fins—*good quality to swim easily*
 - Boots—*all-purpose*
- If you do NOT want to make a gear commitment and buy mask, fins and snorkel. You can rent them for your class for only \$35/day (Not including boots.) All students must have their own personal boots.

For Part 3, You'll Need:

Your open water equipment (included in your course tuition.)

Includes:

- Full Scuba Equipment (Regulator, BCD, Tanks)
- 5mm Wetsuit
- Weights
- Hood & Gloves (If needed)

* See our "Easy Payment Plan" & \$100 credit details on Page 6.

Learn from the Experts

We are the scuba diving experts. Our instructors have over 60 years of combined diving experience, all around the world, in many different environments. We have been teaching people to dive since 1973.

But we aren't diving dinosaurs! We use only the most up-to-date teaching materials and techniques available. Heartland Scuba also uses up-to-date, top-of-the-line diving equipment for training and rental, including dive computers.

You'll have fun learning to dive with our experienced, friendly staff!
